Subject: Group meeting Nov 3rd 2012

Dear member

Just to remind you that The Meconopsis Group meeting is on Saturday November 3rd 2012 at the Royal Botanic Garden, Edinburgh.

The Committee hope that many members will be able to join us.

Christopher Grey-Wilson will be giving a survey of his forthcoming monograph on the species in the genus *Meconopsis*. There will be three full length talks, plus time allocated after each for questions.

Details were in the newsletter sent at the end of September.

Program for the Group meeting on November 3rd 2012
