

**Classification of the Genus Meconopsis** Christopher Grey-Wilson  
October 2014.

**New species** (since Taylor 1934) **are indicated in red**

**Subgenus MECONOPSIS** 2 sections  
**MECONOPSIS** and **POLYCHAETIA**

**Section MECONOPSIS**

3 species.

*M. regia*, *M. superba*, *M. taylori*. Type species *M. regia*

(also the type of the remodelled genus)

**Section POLYCHAETIA** 2 series **Robustae** and **Polychaetia**

**series Robustae**

4 species

*M. chankeliensis*, *M. dhwojii*, *M. gracilipes*, *M. robusta*

Type species *M. robusta*

**Series Polychaetia**

8 species

*M. autumnalis*, *M. ganeshensis*, *M. napaulensis*,

*M. paniculata*, *M. staintonii*, *M. violacea*, *M. wallichii*,

*M. wilsonii*

Type species *M. paniculata*

**Subgenus DISCOGYNE**

7 species

*M. bhutanica*, *M. discigera*, *M. manasluensis*

*M. pinnatifolia*, *M. simikotensis*, *M. tibetica*, *M. torquata*.

Type species *M. discigera*

**Subgenus GRANDES** 2 sections

**GRANDES** and **SIMPLICIFOLIAE**

**Section GRANDES**

2 series **Grandes** and **Integrifoliae**

**Series Grandes**

4 species

*M. baileyi*, *M. betonicifolia*, *M. grandis*, *M. sherriffii*

Type species *M. grandis*

**Series Integrifoliae**

4 species

*M. integrifolia*, *M. lijiangensis*, *M. pseudointegrifolia*,

*M. sulphurea*.

Type species *M. integrifolia*

**Section SIMPLICIFOLIAE** 2 series **Simplicifoliae** and **Puniceae**

**Series Simplicifoliae**

2 species  
(plus 1 hybrid involving *M. sulphurea*)

*M. nyingchiensis*, *M. simplicifolia*

Type species *M. simplicifolia*

**Series Puniceae**

2 species (plus 1 hybrid)

*M. punicea*, *M. quintuplinervia*.

**Subgenus CUMMINSIA** 6 sections  
**ACULEATAE, RACEMOSAE,  
IMPEDITAE, FORRESTIANAE  
CUMMINSIA, BELLAE**

**Section ACULEATAE**

4 species

*M. aculeata*, *M. latifolia*, *M. neglect*, *M. speciosa*

Type species *M. aculeata*

**Section RACEMOSAE** 2 series **Racemosae** and **Heterandrae**

**Series Racemosae**

9 species

*M. bijiangensis*, *M. georgei*, *M. horridula*, *M. lhasaensis*,  
*M. prainiana*, *M. prattii*, *M. racemosa*, *M. rudis*,

*M. zhongdianensis*

Type species *M. racemosa*

**Series Heterandrae**

2 species

*M. balangensis*, *M. heterandra*

Type species *M. heterandra*

**Section IMPEDITAE** 3 series  
**Impeditae, Henricanae, Delavayanae**

**Series Impeditae**

7 species

*M. concinna*, *M. impedita*, *M. muscicola*,  
*M. pseudovenusta*, *M. pulchella*, *M. venusta*,

*M. xiangchengensis*.

Type species *M. Impedita*

**Series Henricanae**

3 species

*M. henrici*, *M. psilonomma*, *M. sinomaculata*

Type species *M. henrici*

**Series Delavayanae**

1 species

*M. delavayi*

Type species *M. delavayi*

**Section FORRESTIANAE**

3 species

*M. forrestii*, *M. lancifolia*, *M. yaoshanensis*

Type species *M. forrestii*

**Section CUMMINSIA**

2 series **PRIMULINAE** and **CUMMINSIA**

**Series PRIMULINAE**

3 species

*M. argemonantha*, *M. florindae*, *M. primulina*

Type species *M. primulina*

**Series CUMMINSIA**

9 species

*M. bulbifera*, *M. compta*, *M. exilis*, *M. lamjungensis*,  
*M. ludlowii*, *M. lyrata*, *M. polygonoides*, *M. sinuata*,  
*M. wumungensis*

**Section BELLAE**

1 species

*M. bella*

Type species *M. bella*
